

The book on environmental economics . Read 6 reviews from the world's largest community of readers. "Environmental Economics" is the first text that concentrates on . On Thursday, February 20, the environmental economics book Environmental Economics: A Practical Guide to Public Policy, Market Economics, and Tax Management by William H. Miller was released in the US. The scientific community, for the most part, is very ambivalent about this book, but one of the world's largest Internet forums, ecportal.su, gathered more than 700 enthusiastic reviews last week. Environmental Economics Book.
