It was as if she lived on a another planet, a childhood planet. She could draw anything, could probably draw a person and all their bodily functions by the time she was 18. She would draw faces, body parts, any image that she could think of, and she loved it. She wanted to be a professional artist, and she was good. She wanted to be famous, and she could achieve that. She would not have

to deal with her parents or siblings, they would have moved on long ago. She knew she would make an incredible living as an artist, for the money she would make. She never considered that some day she would have to spend her life making money. She would never marry or have children. She loved to draw, she loved her family and friends, but she did not love her parents or brothers or sisters. They would have to be sacrificed in order to make a life for herself. She was going to be a professional artist and be famous. Teen Wounds She was always drawing all the time. It was as if she lived on a another planet, a childhood planet

Teen fucked with a big dildo and cum. Pic of a tranny Hi, hola? I think we caught a cold on the way home from the beach, wanna help me sweat it out? Watch me in the bathroom as I shake the gunk out of my body while you stroke your cock. Watch me in the shower as I fix the facial that I let go. My husband pulled a sleeping bag out of the closet (the floor) and I felt bad so I got my dress on and went up there to help him get it fixed. I also ran up there to see my friend and she was wearing nothing but lingerie. I called her and asked if she was going to take her dress off, she said yes so I left her alone. Well, here I am in the shower. You'll see that I'm in a beautiful blue bathrobe. I'm not wearing any panties yet, so I'm going to bend over the tub and get you to make my

shaved wet slit sexy as hell. Watch me get into the tub and remove my robe. I love this sport bike so much I decide to ride it home. Unfortunately I was moving around a lot so by the time I got home it was not running and I left a note on the front door explaining where I went and that I'll get it fixed. My friend is out of town so I call his wife and tell her that she better come home and get her ass home to fix her husbands motorcycle because he's gonna be in big trouble with the neighbors since I'll be alone tonight. As soon as I hung up I heard some noise so I went to check it out. When I get there I realize a guy is watching me through my window and it turns out he's following me for a while. I find this very interesting so I opened the door and let him in. We start talking and he explains that he worked with my husband and that he wanted to come over and hang out. He starts to tell me about himself and I notice his tattoos and you know what, he's a little bit of a bad boy. He's the kind of guy that I like so I invited him in.

Half way through his story he stopped because he noticed I was stripping. When I look back at him I notice that I've got a surprise. I have more than one tattoo and he tells me that he's gonna take them off for me. I had no idea that I had that many tattoos
