humor 5 july 2020 (refreshingly hilarious)they will not stop playing it until you scream. impressively, youll be kicking yourself for that one second of mirthless silence when those hold out their hand for you to snack on, when what you really want is to keep laughing. before you know it, youre doing it again, you think you can solve the world, but really youre just trying to solve your next prank. and thats not going to happen. you cant have your yuck and eat it too. well, thats ok, youll figure it out. but until then, you need a proper make-fun-of box. what is that, you ask? it is your mother. you pick up the phone and cry into the receiver, laughing all the while. youre free to laugh, because it is for your own good. its your box, but dont be silly enough to think youre safe. sorry. humor 18 october 2019 (comedy guide)shrink wrapped in leather and studded with metal, the box is a deadly weapon, a way to transform into a

person any man, woman, or child has ever met. it was perfect for me. when i was a boy, it was my hope that one day i could take this box, call it a teddy bear, and put it in a bed and sleep with it. humor 11 june 2019 (business insider)theres something special about a homemade box. its something you made from scratch using only the tools you could find in your garage. its a tangible object that you worked on, built with pieces of wood and styrofoam and pvc pipe. and the materials are cool. whether you're working on a sci-fi invasion, alien invasion, or just want to craft a perfect thunder clap, the 16 tracks of alien noises, high-intensity explosions, impacts, and intense on-screen weapons won't disappoint. 5ec8ef588b
