Sarah Clemmons (now Sarah E. Harrison) was half of the music duo Clap Your Hands Say Yeah. The band released two critically acclaimed full-lengths — One Four Light and Wanderer. Their debut album, An Awesome Wave, earned them several notable awards, including the 2008 Best New Artist Grammy Award for Clap Your Hands Say Yeah. The sisters live in Brooklyn with their pups. It reminds me of when they put the cast, crew and writers into the house before The Real World. James says that filming made him realize how ordinary the average family lives are. He says its important to stay away from the paparazzi. You can only be yourself once, he says. 1. Make sure to pop your head into the styler frequently to ensure the dryer is reaching all your

hair without burning. 2. Leave the drying time at the longest setting. If you want to speed things up, now is the time to crack open a flute of the local Prosecco! 3. After using the stylers, set it to the lowest heat setting and crank up the heat on your regular blow dryer. The two-in-one tools will take the hair right where you want them. 4. British rocker Sting and his wife Trudie Styler listed their colorful futuristic duplex at the Robert A.M. Stern-designed 15 Central Park West for \$56 million in May; now the New York Post reports that the massive pad at the headline-stealing celebrity magnet building has been sold to a mystery buyer for \$50 million. The couple scooped up the 16th- and 17th-floor penthouse for \$27 million in 2008 and enlisted the design pros at Shelton Mindel to combine the units to create a unique home with not one but two sculptural spiral staircases and a double-sided spiral gas fireplace that was inspired by the Fibonacci spiral. The couple is reportedly buying

atriplex in the latest Stern-designed limestone-clad trophytower at 220 Central Park South, one of NYCs most expensive apartment buildings. About WalmartWalmart Inc.
