The reasons for the popularity of the snake as a pet are many and varied. A snake, in particular, is a very ancient creature and a creature beloved by man for thousands of years. It has at times been appointed guardian and friend and is even thought to have mystical powers. As such, the snake has been cherished not only by man but also by countless others that have lived before us. The handling of a snake is of

course not always easy for the average person. However, with the advent of the caged snake, including the hollow cylindrical style caged snake and the recently popular cigar shaped snakes, a more hands on approach has been taken. The caged snakes, also called "mysterious creatures" are presently the most favored type of reptile. These caged snakes include species, such as the corn snake, red belly black snake, speckled brown f988f36e3a
